

Excursion Day Program:

Perge- Koprulu Canyon- Side

8:15: We meet at the parking lot of ORSEM and drive to Perge.

9:30: Perge ancient city- Perge was the capital city of the Pamphylia region, south western Mediterranean coast of Turkey. Today it is a large site of ancient ruins 15km east of Antalya in the coastal line. There is an acropolis located, dating back to the Bronze Age. In Perge you will see city gate, Roman Bath, Column Street, Agora and Stadium.

11:00: We meet at the parking lot in Perge and drive to Koprulu canyon.

12:30: Koprulu Canyon- We have our lunch by Koprulu River, where crystal clear water flows gently through the magnificent landscape of Koprulu Canyon National Park.

(Menu: Fish-open buffet sides & salad)

14:30: We leave Koprulu Canyon and drive to Side ancient city

16:15: Side Ancient City- We visit Side Museum. We have free time to see the splendid Agora, Theatre and Temples built in the seventh century B.C. and also have a city tour.

19:30: We meet and drive back to ORSEM to have our dinner.
